

THE ATHENÆUM

BURY ST EDMUNDS

THE APEX

Tuesday, 15th January 2019

I have known Penny for approximately 5 years and therefore I was delighted to be able to nominate her to become a photographer for our Christmas parties at The Apex and The Athenaeum.

From the moment we met to discuss this opportunity, she came across as not only extremely personable and very knowledgeable, but most importantly she understood what I was looking to achieve.

From the outset, she came to The Apex to discuss ideas and requirements and this was done with absolute professionalism.

She was available to contact whenever I needed and responded to all emails and calls very promptly. She spent a lot of time helping me to put together the schedule for other two photographers to make sure that all guests would have the opportunity to have their picture taken. We received very positive feedback from our guests saying that Penny was very professional but relaxed which made everyone feel at ease.

She was very accommodating with our requests with regards to specific shots of the rooms being taken – and there was a lot of them!

Penny also helped with distribution of the photographs after each party and she personally sent the links with images to all organisers before the New Year.

She is a very talented, dedicated and committed person and I would not hesitate to recommend Penny as a photographer for any occasion, whether it is a personal or business related.
